SUMMER 2023

## **Best Small Hotel** THE LEDGELETS

For those who prefer a more private and homely environment, with the added benefits of serene surroundings and caring service, The Ledgelets in Somerset is your home away from home. Owned and managed by John and Alison Young, The Ledgelets is a "cottage collective." Two to three guests can stay in the Pool House, while Sunrise Cottage can fit larger groups of six to eight people. They also host private events, and are praised by guests for being "truly magical," "beautifully curated," and "the perfect mix of Bermuda beauty, luxury and hospitality." • *6 Ledgelets Drive, Sandys, 704-6942*
